

**Annual Family Health and Wellness Fair  
Oceanside Community Partners Team  
Parksville/Qualicum (Oceanside)**

Greetings;

The Planning Committee is busy gearing up for our 15<sup>th</sup> Annual Family Health & Wellness Fair coming up on **Saturday March 27th 10:00 - 3:30 at the Parksville Conference Centre**. Mark your calendars now. The Fair for 2010 promises to be an even bigger and more exciting event with some new exhibitors, presenters and demonstrations.

Our theme this year is "Partnering for Health: Together We Can." Our focus this year will be developing community partnerships. Our efforts to be paperless last year were very successful and consequently we will be using electronic means of communication as much as possible.

Our website address is [www.vividliving.ca](http://www.vividliving.ca) where you will be able to find our information as well as download the necessary registration forms.

Our physical location is the Nanaimo Lifeline Program Parksville office located at 202 – 160 Corfield Street. We will still require exhibitors to either drop off or mail their completed application forms and payment.

We will have volunteers checking the phone and email on a regular basis each week, and will be able to answer your questions and provide you with needed information.

Please call the office for hours of operation if you wish to stop by, leave a message if you wish to be contacted, please make sure you clearly indicate Health & Wellness Fair in your messages.

Please put "Family Health and Wellness Fair" in the subject line of any emails.

Our contact information is:
